[Need text of Amendment 0329.]

Concern: Under federal law, PEG channels are allowed to carry advertising, underwriting, and sponsorship recognition. This provision would clarify this point for local governments and assist with developing new sources of revenue for PEG during the sunset period.

Recommended amendment:

>At the end of line 2 on page 8, insert:

The term "noncommercial" does not include advertising, underwriting or sponsorship recognition for the purpose of funding PEG-related activities.

Rep. Molepske:

This amendment corresponds to the 3rd concern under item 1 of the WAPC document (i.e., definition of "noncommercial").

Note that I made changes because I do not think that the proposed language is grammatically consistent with the definition of "PEG channel."
